We hit another milestone in our quest for the cure. We have now raised \$700,000!!!! It seems like yesterday that we were hosting our 14th tournament, and here we are sending out the info for our 15th year of the Crowley Automotive Golf Tournament for Juvenile Diabetes. And again we look to our loyal friends to support us in a very tough year. We understand the difficulties everyone has had with the economy and business in general, but unfortunately this disease doesn't take time off. We need help to find a cure and make the lives of thousands of children and adults better. Please, before you say you can't this year, remember how important our mission is. Last year was difficult for all, and you still came through...we were able to donate \$53,000!!! Wait till they find the cure, we'll all have had a part in it, and that will be a great feeling in your heart to have helped. This year will again be played at the Gillette Ridge Golf Course in Bloomfield, Connecticut. It's an impressive course, with excellent food, awesome facilities, and a location centrally located for your convenience. The comments have been overwhelming about the facility, the treatment, and of course the prizes. It doesn't seem possible that this tournament is celebrating year 15, but it could not have happened without the loyal support of all our past sponsors, and for that I thank you from the bottom of my heart. THANK YOU! THANK YOU! THANK YOU!

The tournament will be held at Gillette Ridge Golf Course in Bloomfield, Connecticut on Sunday, September 11th, 2011. As usual it will kick off with a relaxed cook-out at 11:30 AM, with a shot gun start scheduled for 1:00 PM. There will be on-course refreshments throughout the day. Fairway challenges and closest to the pin on all par 3's will be some of the options to make the day fun and exciting. This year's hole-in-one will be for the all new 2011 Jeep Grand Cherokee! After golf, join us for a DELICIOUS buffet dinner reception. Awards for the various events, as well as numerous door prizes will be presented after the reception.

The enclosed brochure will explain the various levels of participation for you. If you have any questions please call Ken Crowley or Steve Miller, at 860-589-4444 or Mike Hultman at 860-261-3000. Let's set that new record this year!!

Sincerely,

Ken Crowley

P.S. Please let us know and forward your level of participation as soon as possible. Last year we were not able to accommodate everyone.
